

Privacy disclaimer

Your privacy is important. This privacy statement provides information about the personal information that the INTAS project Coordinator collects, and the ways in which the Administrator uses that personal information.

Personal information collection

The Coordinator and Administrator may collect and use the following kinds of personal information:

- information that you provide for the purpose of subscribing to the website newsletter services (including name, email and organization)
- other information that you send to the Administrator using the web site's contact form or newsletter subscription form

Using personal information

The Coordinator and Administrator may use your personal information to:

- enable your access to and use of the website newsletter services
- send you informational emails about the INTAS project activities

Securing your data

The Coordinator and Administrator will take reasonable technical and organisational precautions to prevent the loss, misuse or alteration of your personal information.

Updating this statement

The Coordinator and Administrator may update this privacy policy by posting a new version on this website.

You should check this page occasionally to ensure you are familiar with any changes.
